PEZO VON ELLRICHSHAUSEN ARCHITECTS was established in Concepcion in 2002 by Mauricio Pezo and Sofia von Ellrichshausen. Mauricio Pezo completed a Masters in Architecture at the Pontificia Universidad Catolica de Chile and has been awarded the Young Architect Prize by the Chilean Architects Association. Sofia von Ellrichshausen holds a degree in Architecture from the Universidad de Buenos Aires where she was distinguished with the FADU-UBA Honors Diploma. They teach regularly in Chile and have been Visiting Professors at The University of Texas at Austin and at Cornell University in New York. Their work has been awarded at the Iberoamerican Architecture Biennial, at the Chilean Architecture Biennial, at the AR Awards for Emerging Architecture and has been selected for the 12th International Architecture Exhibition at La Biennale di Venezia.
